Theme: Jesus and the Resurrection

This month we are looking for clues throughout the bible that show us how important Jesus is. He was like no other human being. He was fully God but fully human. Let's see how many clues we can find....

This week we are looking at how Jesus rose again and is alive! How amazing!

Craft

Craft: He is Risen!

Try and create a He Is Risen craft like the one above from cut out paper! You can pop it somewhere that will remind you that God is very much alive and with you.

Chat about it!

All month, we have been looking for clues that tell us how special and important Jesus is! Our final clue is the fact that he came back to life! Isn't that amazing?! Jesus really is very special. It can be strange to remember that Jesus is alive as we don't see him in front of us, but he really is alive! And he's active and answers our prayers. How would you have felt if you had been the person that discovered Jesus had risen?!

What difference does it make to your life that Jesus is alive and with us?

Why don't you spend some time thinking about if there is anything you'd like to say to God or talk to him about and see if he says anything about it!

Worship and Pray

Our website (www.soulsurvivorwatford.co.uk) has Youtube links to some of the worship songs we use in Soul Kids. Alternatively, use a worship CD or a streaming service to choose one or two songs to learn really well. Do this a few songs at a time.

Pray: Write the name of someone you would like to pray for on a lolly stick or strip of paper. Pray for them and then pop the stick/paper in a pot or container. Over the next few days, repeat this until you have a pot with a few different names. You can now pick a different stick and pray for someone different each time you gather to pray.
